Address	
Company name	
Street, No.	
Additional	Website
ZIP, City, Country	

General Informationen				
Supplier type	Industry			
	Europe	USA	Asia	Total
Number of locations in				
Number of production sites in				
	Develop.	Product.	Quality	Total
Number of employees in				
Capacities (Number of Shifts)				
Experience in series production?	pcs/year from		to	
	2 years ago	Prev. year	plan.	current year
Total number of employees				
TO (in Mio €)				
Investments (in Mio €)				
Export TO (in Mio €)				
Already UCG Supplier?	Supplier ID:			
IMDS known?	IMDS Org.-ID:	since:		
D-U-N-S Number				
Conflict Materials				
RoHS conform				
Reach conform				

Certifications	
Certified Management, Customer approval (OEM Audit Report attached)	
Quality management	valid until
Environm. mgmt. DIN ISO 14001	valid until
Energy management DIN ISO 50001	valid until

Manufacturing Processes
3D-Print
Cardboard production
ALU die-casting
Blow molding
Sheet metal working/manufacturing
Extrusion (ALU)
Extrusion (Plastics)
Calendering
Calibration
Laser cutting
Assembly
Rapid Prototyping
Tube working/manufacturing
Welding (Plastics)
Welding (Metal)
Machining
Compression Moulding
Injection moulding
Granulate production
Compounding
Punching/Bending
Conversion (Plastics)
Conversion (Metal)
Toolmaking (Light metal)
Toolmaking (Misc)
Miscellaneous:

## Contract Management

General Terms and Conditions of Purchase accepted

[UCG Supplier Guideline](#) accepted

Safety regulations accepted

Payment terms 21 Days 3%, 45 Days net accepted

Delivery terms DDP "Destination" accepted

Payment in Euro accepted

Code of Conduct accepted

## General Information Part II

Analysis methodology:	FMEA	Process Audit	Process capability analysis
	EMPB	Product Audit	Cause/effect program
	8D-Methodology	System Audit	

Continuous Improvement:	Cost optimization	Reduction of stock levels	
	Process flow analyses	Reduction of scrap and rework	
	Willingness for joint development		Reduction of processing times

Export experience:	None	North America	Worldwide
	Europe	Asia	Other:

Languages:	German	Dutch	Italian	National language
	English	French		Other:

Availability:	24 Hours	at the following times:
		Under telephone number:

Automotive reference:	Automotive TO share:
-----------------------	----------------------

## Supported Formats R&D

CREO	STEP	
IGES / IGS	Unigraphics	Catia

## Miscellaneous supported Formats

EDI - Connection	PDF/A-3 File	Xinvoice
ZUGFeRD	Barcodes	QR-Codes

### Notes on the form:

Please fill out all fields with the appropriate data. Note: Not all PDF viewers can fill out PDFs. Therefore, do not use the Edge PDF Viewer, but alternatively Adobe, Chrome, Foxit or PDF-XChange. If you have any questions, please contact [supplierportal@centrotherm.com](mailto:supplierportal@centrotherm.com).

Save the form with all information on your computer. Now visit the supplier portal website <https://supo.centrotec.com>. Click on "Register". Then upload the PDF in the field 'Application Form' by clicking 'Browse' and select the file on your computer. Enter your personal name and your email address. You will receive a confirmation email and after processing your application a member of our staff will contact you.
